DETAILED ACTION

Drawings

1. The drawings are objected to as failing to comply with 37 CFR 1.84(p)(5) because they include the following reference characters not mentioned in the description: 18a (figure 8 and 9) and 21 (figure 10).
2. Corrected drawing sheets in compliance with 37 CFR 1.121(d), or amendment to the specification to add the reference character(s) in the description in compliance with 37 CFR 1.121(b) are required in reply to the Office action to avoid abandonment of the application. Any amended replacement drawing sheet should include all of the figures appearing on the immediate prior version of the sheet, even if only one figure is being amended. Each drawing sheet submitted after the filing date of an application must be labeled in the top margin as either "Replacement Sheet" or "New Sheet" pursuant to 37 CFR 1.121(d). If the Examiner does not accept the changes, the Applicant will be notified and informed of any required corrective action in the next Office action. The objection to the drawings will not be held in abeyance.

Claim Objections

3. **Claims 1 – 26** are objected to because of the following informalities: lack of clarity and precision.
 - For **Claim 1, lines 8 and 9**, "said sub-areas" is recited, when "a plurality of separated sub-areas" has been previously recited. The Examiner recommends changing ALL instances of "said sub-areas" and "the sub-areas" to "said plurality of separated sub-areas".

Art Unit: 2622

○ As for **Claims 2 – 26**, “The system” is recited in the preamble, when Claim 1 requires “A visual system”. The Examiner recommends changing ALL instances of “The system” to “The visual system”.

○ As for **Claim 13, line 4**, “the latter” is recited which lacks clarity and precision. The Examiner recommends changing “the latter” to “the prism”.

4. Appropriate correction is required. For sake of clarity and precision consistency, Applicant is requested to thoroughly review the claim language to eliminate such inconsistent language.

Conclusion

5. This application is in condition for allowance except for the following formal matters identified above.

6. Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 25 USPQ 74, 453 O.G. 213, (Comm’r Pat. 1935).

7. A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
